Control Simulator 8
Licensing Rates

(15 March 2019)

Single User[1]	$8,610
Company-wide[2]	$21,525
Short term license[3]	$275 fee + $1,350 per month

Software support for CS8 is offered on an annual basis. One year of software support will be included in the initial purchase. During the term of the software support the licensee is entitled to:

 a) unlimited e-mail technical support
 b) normal business hours telephone support
 c) free upgrades to CS8 via download from the Interlink Systems, Inc. web site.

After the initial year, software support for CS8 can be purchased for:

Software Support	(Single User)	$1,435 per year
Software Support	(Company-wide)	$3,590 per year

Support is sold in increments of 1 year starting with the purchase date of the software. If maintenance is allowed to expire, the cost to restore a maintenance license will cover the intervening years but not to exceed the current new license rate.

Note: Prices listed in this price sheet are only for sales directly to the licensed end user. Interlink Systems will accept orders through a reseller, but the reseller is responsible for negotiating with the end user on a commission for handling the sale. The reseller will be invoiced according to this price sheet.

---

[1] Single user - One user at a time, one location.
[2] Companywide – Multiple simultaneous users, multiple locations, but all part of the same corporate entity.
[3] Short term license includes software support and access to the latest version for the term of the license.
