## **Precharge Calculator Licensing Rates**

**(1 May 2023)**

The software license for Precharge Calculator is being offered on an individual, subscription basis, per named user. The named user may install and use the software on up to 2 computers.

The Individual License will be active for a prescribed period of time, with the fee based on the time that the license is active. Costs are as follows:

1 month <sup>1</sup>	\$120	good value for occasional use
1 year	\$549	38% of monthly price
3 year	\$1,350	best value

Initial subscription for a given user is subject to a \$195 setup fee. The setup fee will be waived for companies with an active license for any Interlink Systems software product.

A 30-day trial is available upon request.

During the term of the Individual License, the licensee is entitled to:

- a) unlimited e-mail technical support related to installation and operation.
- b) telephone technical support related to installation and operation of the software during normal business hours.
- c) free updates to Precharge Calculator via download from the Interlink Systems, Inc. web site, as they become available.

If the license options above do not meet your company's needs, please contact Interlink Systems to discuss other options.

**Note:** Costs listed in this price sheet are only for sales directly to the licensed end user. Interlink Systems will accept orders through a reseller, but the reseller is responsible for negotiating with the end user on a commission for handling the transaction. The reseller will be invoiced according to this price sheet.
