Precharge Calculator Licensing Rates

(27 January 2016)

Single User¹ \$950

Company-wide² \$3,800

Software support for Precharge Calculator is offered on an annual basis. One year of software support will be included in the initial purchase. During the term of the software support the licensee is entitled to:

- a) unlimited e-mail technical support
- b) normal business hours telephone support
- c) free upgrades to Precharge Calculator via download from the Interlink Systems, Inc. web site.

After the initial year, software support for Precharge Calculator can be purchased for:

Software Support (Single User) \$230 per year

Software Support (Company-wide) \$920 per year

Support is sold in increments of 1 year starting with the purchase date of the software. If maintenance is allowed to expire, the cost to restore a maintenance license will cover the intervening years but not to exceed the current new license rate.

Note: Prices listed in this price sheet are only for sales directly to the licensed end user. Interlink Systems will accept orders through a reseller, but the reseller is responsible for negotiating with the end user on a commission for handling the sale. The reseller will be invoiced according to this price sheet. Price subject to change without notice.

¹ Single user - One user at a time, one location. Within the first 6 months, the cost of a Single User License may be applied as a credit toward purchasing a Company-wide License.

² Company-wide – Multiple simultaneous users, multiple locations, but all part of the same corporate entity.
